

TOWN OF COLLIERVILLE
Assurance of Completed Site Lighting

Planning Division
500 Poplar View Pkwy
Collierville, TN 38017

Telephone: (901) 457-2360
Fax: (901) 457-2354
Website: www.collierville.com

I, the undersigned, confirm that (initial below):

_____ I have personally visited the site on _____ (date),
and verify that the installed lighting is in
compliance with the lighting plan approved by the
Design Guidelines and the Zoning Ordinance; or

_____ I have personally visited the site on _____ (date),
and found changes or
substitutions of quantities, types, and locations
during the construction, from the Town-approved
lighting plan. This form is accompanied by either
comments (right) or a narrative and/or plans
illustrating the changes. I hereby verify:

- that the installed lighting is in compliance
with the Design Guidelines and the Zoning
Ordinance; and
- the Planning Division has administratively
approved these changes:

Project Planner

Date

Comments:

Furthermore, I, the undersigned, confirm that I have provided the following as-built plans, and, as applicable, in
the format required by the Planning Division (initial below):

_____ Photometric Plans _____ Revised Cut Sheets/Details _____ Other (_____)

The following best describes my expertise to confirm that the lighting was installed correctly (pick one or more
as applicable):

- Registered engineer licensed to practice in the state of Tennessee,
- Qualified lighting professional, or
- Lighting manufacturer
